Dear Ms Talbot

**Kingsholm Tonnage Ltd – MV Northern Star – voyage charterparty dated 12 March 2026 – demurrage at Hartmouth**

We act for Kingsholm Tonnage Ltd, the owners of the MV Northern Star. We write about the discharge of her cargo of 5,200 tonnes of packaged sawn timber at Hartmouth under the voyage charterparty dated 12 March 2026, between our client as owners and your company as charterers.

Clause 9 of the charterparty allows six days for discharge. The vessel's master gave notice of readiness at Hartmouth, and our client's calculation of the demurrage that followed is this:

| | |
|---|---|
| Notice of readiness given | 10:24 on Monday 3 August 2026 |
| Six days' laytime, counted from notice of readiness, expired | 10:24 on Sunday 9 August 2026 |
| Discharge completed | 16:24 on Wednesday 19 August 2026 |
| Time on demurrage | 10 days 6 hours (10.25 days) |
| **Demurrage at USD 18,000.00 a day, pro rata (clause 10)** | **USD 184,500.00** |

Our client's laytime statement is enclosed. Please pay USD 184,500.00 to the account named in it within 14 days of the date of this letter, that is by 29 September 2026.

If payment is not made by then, our client will take the steps open to it to recover the money. It reserves all of its rights, including its right to start proceedings and its right to seek security for its claim.

If your company has instructed solicitors in this matter, please pass this letter to them at once and let us know their name, and we shall write to them instead.

Yours sincerely
