Dear Priya

Salary review and promotion

Following your appraisal on 14 October 2026, I am delighted to tell you that the partners have promoted you to senior associate. Your salary will rise from £52,000 to £56,500 a year from 1 November 2026, and your first payment at the new rate will be your November salary. Your other terms of employment are unchanged.

We have made these decisions because of your work this year. You carried a great deal of the Kestrel Software Series A investment, from the first advice on the term sheet to completion on 23 October, and you have been central to the Saltmarsh Shipping claim over the MV Northern Star, which is now issued in the County Court. Clients and colleagues have noticed how clearly you explain things and how reliably you deliver. Thank you.

Tom and I will talk with you in the new year about the work you would like to take on as a senior associate, and we will review your progress at your next appraisal in autumn 2027. Please keep this letter confidential. If you have any questions about it, come and see me.

Yours sincerely
